

Struggling with hospital bills?

Nonprofit hospitals must cancel or reduce medical bills for lower income patients through **CHARITY CARE** programs. That bill for \$15,000 could become \$150, or even \$0.

Two ways to get help:

- 1 - We can prepare and submit a hospital financial assistance application for you.
- 2 - We can give you instructions, tips and tools to apply on your own.

Our services are completely free,
no strings attached.
